Warranty

At Zoweetek, we believe in our products. That's why we back them all with an 18-month warranty and provide friendly, easy-to-reach support.

Warning

- * Never try to open or repair this product yourself.
- * Keep this device away from fluids, such as water.

Maintenance

- * Do not attempt to disassemble the device, otherwise, it will void the warranty.
- * Switch off the USB ports when not using.

Notices

- * Some USB 3.0 devices (such as Apple Super Drive and some WD hard drives) require direct connection to host ports.
- * 2.4Ghz wireless devices (keyboards, mice, etc.) may not work around USB 3.0 ports. Try using a USB 2.0 connection instead.

In line with the policy of continued development, we reserve the right to amend the specification without prior notice. The illustrations in the user manual are for reference only, please operate according to the real design.
